## SACSC / DVP MOUs and Waivers

Pursuant to the 2021 Campus Sexual Assault Law, an institution that does not provide its own sexual assault crisis service center (SACSC) shall enter into and maintain an MOU with a [SACSC funded by the department of public health \(DPH\)](#) and a community-based [domestic violence program \(DVP\) funded by DPH](#).

Institutions that already have such services in place on-campus are exempt from this statutory requirement. IHEs that do not offer such services on-campus are expected to engage in good faith efforts to secure the statutorily required MOUs.

If an institution is encountering challenges in this process despite its good faith efforts, and/or requires additional time, it may request a waiver through this annual report.

Please indicate in the fields below whether the institution already has an SACSC, has entered into an MOU with at least one community-based SACSC and DVP funded by DPH, or is seeking a waiver from this statutory requirement at this time.
